This Form 99 Miscellaneous Report is being filed in response to the August 8, 2016 Request For Additional Information ("RFAI") from the FEC concerning United Services Automobile Association Employee PAC - USAA Employee PAC (the PAC)
Amended June Monthly Report (05/01/2016-05/31/2016) received July 13, 2016.

Specifically, the letter notes that Schedule B supporting Line 23 discloses two contributions to candidates for the 2016 Primary election after the primary elections occurred. Please note that the Michael Burgess for Congress contribution dated May 20, 2016 has already been redesignated on July 7, 2016 to the 2016 General election. The redesignation is disclosed on the PAC's August Monthly report (07/01/2016-07/31/2016) submitted to the FEC on August 4, 2016.

Upon receipt of the RFAI, the PAC investigated the Luke Messer for Congress contribution and discovered that the contribution dated May 11, 2016 was erroneously designated by the PAC to the 2016 Primary election. The contribution should have been reflected/reported to the 2016 General election. The redesignation dated August 16, 2016 will be disclosed on the PAC's September Monthly report.

On behalf of the PAC, we trust that this response fully and adequately fulfills your request for additional information.
